ALL YEAR ACTIVITIES

Extracurricular Activities offered ALL YEAR are NOT in this brochure. **You will not need to re-register your child for Session III.** Some of these activities have very limited space and we do keep a waiting list for students interested in entering them. Please notify the Activities Coordinator ASAP if your child will not continue with the following activities: **Piano, Karate, Flamenco, Fencing and Soccer.**

Grades	Activity	Description	Fee	Teacher	Space Limit	Monday	Tuesday	Wednesday	Thursday
1-2	Swimming Skills Building	This class is designed for students in grades 1st and 2nd who are starting to develop their swimming skills. Students will be instructed in proper technique of front and back floats, front crawl and backstroke. They will receive both shallow and deep-water instruction. Children will practice swimming longer distances on their front and back without assistance. In this class, students will also have the opportunity to participate in different pool games such as water polo, underwater games, relay races and water challenges.		Paola Braganza & Fernando Villacis	20 students	x			
1-2	Origami	Origami is the art of paper folding which is often associated with Japanese culture. The goal is to transform a flat sheet square of paper into a finished sculpture through folding and sculpting techniques. Students will develop hand – eye coordination and strengthen their concentration.	\$10.00 this fee must be paid during registration week at the cashier's office.	Estefania Bohorquez	12 students	x			
3-4-5	Weaving	Come to create your own weaving! We will prepare a loom, learn weaving strategies, research examples of weavings from around the world, and finish by creating your own meaningful weaving pieces!	\$20.00 fee payment has to be paid at the office by the first week of Extracurricular	Laura Fried	12 students	x			

Grades	Activity	Description	Fee	Teacher	Space Limit	Monday	Tuesday	Wednesday	Thursday
1-2	2D & 3D Shapes and Structures	Students will develop their imagination together with visual -spatial awareness in a fun creative environment. They will learn how to move and manipulate materials to create various shapes and structures. This activity helps develop fine motor control and understand spatial organization. The students will need to work slowly and carefully to be successful to create their shape. This helps build their ability to concentrate and focus for longer periods.	\$10.00 – this fee must be paid during registration week at the cashier's office.	Elsa Maria Crespo	12 students	x			
3-4-5	Chocolate & Candy Making	Students will learn basic techniques for making chocolate. We will work with white and dark chocolate and do various decorations with candy. Students will also learn how to make popsicles, rock candy and more! By the end of the session, they will be able to prepare chocolate and candy for parties. This sweet activity will motivate our students to be the creators of their own inventions.	\$20.00 - This payment must be made at the cashier during the week of registration.	Diana Penafiel	12 students	x			
3-4-5	Comics	The comic strip activity is a class where children will be able to explore the world of comic (cartoon) drawing. Students will be able to create their own characters and be able to incorporate it in a story map and then into a comic book. The student will learn to free draw characters as well as techniques of inking and coloring. The final product is to have a comic book done to be able to share with parents.	\$10.00 - This payment must be made at the cashier during the week of registration.	Edwin Poveda	12 students	x			
3-4-5	Co-Ed Soccer With Soccer School "Estudiantes De La Plata"	Students will receive a training program to develop physical, fine and gross motor skills. They will learn the concepts of basic soccer and practice with no additional fee at the soccer school located in Tumbaco on Saturday mornings from 9:30 am to 11: am and during the week on Tuesday & Thursday from 4:30 pm to 6:15 pm. Soccer games will be also in Tumbaco on Sunday and students will be notified 3 days before the games.	FEE \$75.00 each session + \$16.00 soccer uniform if student needs it. This fee has to be paid at the cashier's office by the first week of Extracurricular Activities. Students need to check the uniform size with Ms. Damiana after payment is made	Alfonso Espinosa	20 students	x		x	

Grades	Activity	Description	Fee	Teacher	Space Limit	Monday	Tuesday	Wednesday	Thursday
1-2	Cupcakes	During this session, students will learn how to make different types of cupcakes decoration frosting, from a simple vanilla icing to a delicious chocolate buttercream. Students will learn how to decorate with creams and frostings as well as using different themes. In addition, they will explore the basic steps to decorate with fondant. Students will learn how to create animal, flowers, birthday and different holiday with theme decoration.	\$25.00 - This payment must be made at the cashier during the week of registration.	Ma. Gabriela Estupiñan	12 students		x		
1-2	Music Club	We will sing, dance, and play together. Students will expand on current music knowledge and games, and work to develop further musical skills and exploration.		Robin Kammer	12 students	x			
1-2	Co-Ed Soccer With Little Kickers Soccer School	Little Kickers soccer coaches work with Academia Cotopaxi for this sport activity. They focus on teaching soccer in a "pressure free environment". Students work on building confidence, respect, coordination control, companionship and teamwork. At the end of each session they have a friendly game and at the end of the school year they will have a special fun tournament. Everyone will receive a diploma and a medal.	\$75.00 each session + \$16.00 soccer uniform if your child needs one. This fee has to be paid at the cashier's office by the first week of Extracurricular Activities. Students needs to check the uniform size with Ms. Damiana after payment is made.	Irene Samaniego	20 students		x		x
3-4	Swimming Skills Building	This class is designed for students in grades 3 & 4. For the students that are new to swimming; we would work on underwater swimming and treading water and the fundamentals of front and back floats and front crawl and backstroke. Furthermore, this class refines front crawl and teaches rotary breathing, improves endurance and starts the foundations of breaststroke and butterfly. In this class, students will also have the opportunity to participate in different pool games such as water polo, underwater games, relay races and water challenges.		Fernando Villacis & Paola Braganza	20 students		x		

Grades	Activity	Description	Fee	Teacher	Space Limit	Monday	Tuesday	Wednesday	Thursday
3-4-5	Gymnastics	A class for beginners to orient themselves to the world of gymnastics. We will learn cartwheels, roundoffs, split leafs, hand stands, and much more!		Dallas Cabrices	12 students		x		
1-2	Girls Soccer	Do you like soccer? Girls Soccer is an extracurricular activity offered for girls in first and second grade. It is the perfect activity to choose if you like sports, having fun, and playing outdoors. In this extracurricular activity, we will learn how to play soccer by doing fun games. Every training session will consist of exercises that will teach us how to dribble the ball, kick the ball in a correct way and do passes. We will end every training session with a soccer game.		Camila Gonzalez	12 students			x	
1-2	The Arts	Students will learn art techniques while having fun! They will learn about important painters and work on special projects.	\$15.00 - this fee payment has to be made at the Cashier's office by the first week of Extracurricular Activities	Nicole Alvarez	12 students			x
